Joan,

I will ask for your help in responding to this request for UST/LUST information on Indian Land. This is a routine request that we get from the same requestor. Mark has set up a query in

USTRAC to develop this spreadsheet. Please work with him to respond. He used to work with Fred on these all the time.

Please copy me on all outgoing messages to Lanita so that I know the response has been made.

Thanks,

Sherry
